

# R&D Einblicke hinter die Kulissen der SAS Roadmap

Phillip Manschek,  
Lead Systems Architect, SAS Global Solutions R&D

Kornwestheim, 15.05.2025

The diagram consists of three overlapping circles. The largest circle on the left is dark blue and contains the text 'Themen über die wir mit Kunden noch nicht sprechen'. The middle circle is light blue and contains 'Kein Thema: Viya 5'. The smallest circle on the right is medium blue and contains several items: 'Vortrag Heino Rust', '“Todeszone”', 'SAS Innovate (on tour)', and 'Viya Update Session'. A green rectangular box with rounded corners, containing the text 'You are here', is positioned in the center where all three circles overlap.
